

COMMUNITY HIGHLIGHTS

GROWTH

METHODIST RICHARDSON GETS GREEN LIGHT FOR ED EXPANSION

The end of 2021 brought with it the approval of a \$45 million expansion project at Methodist Richardson. The investment will add two new floors totaling about 80,000 square feet and remodel another 25,000 square feet of space to allow for 18 new beds in the emergency department. This will be the third major expansion of the hospital since it opened in 2014.

IN THE COMMUNITY

HELPING THE COMMUNITY BECOME HEART SAFE

Methodist Richardson is proud to have helped the city of Richardson earn its designation as a Heart Safe Community, a nationwide effort designed to reduce the devastating effects of heart disease and improve outcomes of sudden cardiac arrest emergencies.

Thanks to our collaborative efforts, working with local entities like the city's fire and police departments, the North Central Texas Trauma Regional Advisory Council officially presented this award at a recent City Council meeting. The Heart Safe program recognizes communities that have demonstrated excellence in several areas, including access to emergency care, medical dispatch, AED access, advanced life support, and awareness and educational campaigns.

HELPING PROTECT OUR CHILDREN AND FELLOW FRONTLINE WORKERS

As vaccines for COVID-19 rolled out, Methodist Richardson partnered with Richardson ISD to offer immunizations to teachers and other staff members. By turning the auditorium inside the district's administration building into a vaccine clinic, Methodist Richardson nurses were able to administer vaccine shots to more than 1,200 district employees.

METHODIST RICHARDSON HOSTS A SUCCESSFUL VIRTUAL YELLOW AND BLACK TIE GALA

The Methodist Richardson Foundation hosted its 2021 Yellow and Black Tie Tele-Gala last fall, and the event put the fun in fundraising! The virtual gala was broadcast to more than 400 attendees from the Four Day Weekend Comedy Theater in North Dallas.

The comedy troupe performed, and an online auction was held to raise money for a new clinic at the Network of Community Ministries, which will serve those in need, as well as Richardson ISD teachers and staff.

“This clinic has been a longtime goal to provide healthcare needs in our community,” says Methodist Richardson President **Ken Hutchenrider, Jr., FACHE.**

The gala also honored longtime board member and Foundation supporter Tim Griffy and his wife, Missy, with the Legacy Award.

Methodist Richardson is **proud to support the Richardson, Wylie, Sachse, Murphy, and Garland Chambers of Commerce.**

MPMC ADVISORY BOARD

Thank you to the outstanding people serving on our Advisory Board:

ACCOMPLISHMENTS

THREE CHEERS FOR LEVEL III

Methodist Richardson has earned a Level III Maternal designation from the Texas Department of Health Services. This recognition acknowledges the hospital's quality comprehensive care for both mothers and babies.

Methodist Richardson also successfully renewed its status as a Level III Neonatal Intensive Care Unit, certifying that we are able to provide comprehensive care for seriously ill newborns. Parents can rest assured that their little ones are getting top-notch care.

SURGICAL TEAM ACHIEVES MAJOR MILESTONE

Methodist Richardson reached a major milestone in its robotic surgery program last year. The operating and surgical team has now performed more than 3,500 minimally invasive procedures using the da Vinci surgical robots.

The three robotic systems, including models S, Xi, and X, have helped patients during gallbladder, gastrointestinal, general, gynecologic, pancreatic, thoracic, and urological procedures.

SERVICE AND SUPPORT

We were proud to offer or sponsor these and other community events and organizations in 2021:

- Richardson Adult Literacy
- Richardson Symphony Orchestra
- Richardson Reads
- Sachse Fall Fest
- Santa's Village
- The Warren Center

METHODIST HEALTH SYSTEM AND METHODIST RICHARDSON ARE IMPROVING COMMUNITY HEALTH WITH THESE INITIATIVES:

- **Faith Community Nursing.** Through local churches, Methodist Health System provides education and health outreach, including flu shots and biometric screenings.
- **Methodist Generations.** This program offers a variety of wellness activities, social events, and educational outreach for people ages 55 and up.
- **Asian Breast Health Outreach Project.** This program provides mammogram screenings, diagnostic exams, and biopsies. ABHOP also offered breast health education to uninsured and underinsured Asian-American women.
- **Mobile mammography.** Methodist's mobile mammography unit brought breast cancer screenings to numerous women this year, many of them in the Methodist Richardson service area.
- **Stronger After Stroke.** This support group offers a road map to recovery for stroke patients and caregivers.
- **Methodist Alliance for Patients and Physicians (MAP2).** This accountable care organization improves and saves lives through coordinated care for thousands of people. These patients have seen overall improvement in health measures, as well as lowered overall cost of care. For these efforts, MAP2 has achieved national recognition for the quality of care given to patients
