Expect the best

At Methodist Mansfield Medical Center, our mission is to improve and save lives through compassionate, quality health care. In 2012, we embarked on a few exciting pathways toward further achieving this goal.

Grand opening of expanded Women's Pavilion

To meet the growing need for women's services, Methodist Mansfield opened a \$9.1 million expansion and renovation of its Women's Pavilion, equipping the facility to care for more babies and mothers. We've been named the best place to have a baby in southern Dallas, Ellis, and Johnson counties two years in a row in the *Focus Daily News* Reader's Choice Awards.

The Women's Pavilion was the perfect place for Michael and Claire Taylor to welcome baby Rhett into the world.

Teleneurology

Our emergency department is shortening the time for stroke patients to receive crucial treatment with this new technology. A virtual, secure video network connects neurologists from around the country to the patient's bedside for faster diagnosis and prescription of the clot-busting drug TPA.

Da Vinci® Surgical System

Robot-assisted surgery with da Vinci allows surgeons to operate with tiny incisions and greater precision and control than ever before. This results in less pain and risk for infection as well as faster recovery.

Methodist Patient-Centered ACO

Methodist's accountable care organization (ACO) was one of 89 in the nation — and the only in Dallas–Fort Worth — selected in 2012 to participate in the federal Medicare Shared Savings Program. This venture strives to keep patients healthy while controlling health care costs and quality.

2016

By this year, Methodist Health System aims to be the healthiest health system in America. We're well on our way, with recognition from:

- The *Dallas Business Journal* — for being among the Top 5 Healthiest Employers in North Texas
- The American Heart Association, who has named us a 2012 Platinum-Level Fit-Friendly Worksites.

To your health

In 2012, we made a difference in the community by hosting or sponsoring a variety of events, including:

- Time Out for Health at Cowboys Stadium
- Heart to Heart and Summer Health Essentials health events
- Back Talk orthopedics event
- A variety of city health fairs and run/walk events
- City of Mansfield Hometown Holiday Parade.

The Meredith Hatch Foundation Methodist Mansfield MAD Dash for Cash promotes healthy habits in local school children.

These initiatives are making a difference in southeastern Tarrant County

- **Medical support for local athletes.** Methodist Mansfield Medical Center provides echocardiograms, sports physicals, health education, and team physicians for school athletes in the Mansfield and Midlothian ISDs.
- **First-aid medical teams.** In partnership with Tarrant County's Susan G. Komen for the Cure, Methodist provides physicians and nurses for the medical team at the annual Race for the Cure.
- **Saturday Mammos.** These events created a comfortable, spa atmosphere for women to get their annual mammograms.
- **Pink Glove Dance video contest.** Partnered with community survivors, Mansfield ISD and the hospital staff helped spread the word about breast cancer awareness and prevention. More than 2,500 community members starred in the video.

Methodist Mansfield also supports these community endeavors: American Red Cross; Big League Sports Park; local Rotary, Kiwanis, and Lions clubs; Mansfield Cares; Mansfield Women's Club; March of Dimes; Meredith Hatch Foundation Methodist Mansfield MAD Dash for Cash; National Night Out Against Crime; Tarrant County American Heart Association Heart Walk; Tarrant County Meals on Wheels; Tarrant County Medical Society; United Way; and others.

We also opened our doors to programs like Leadership Arlington, Mansfield, and Midlothian; Shattered Dreams, which helps promote teen awareness about the dangers of drinking and driving; nursing students from University of Texas at Arlington, Texas Christian University, and Tarrant County College; our Junior Volunteer Program; and students from Ben Barber Career and Technology High School.

Mary Jo Shepherd Elementary School won the Methodist Mansfield Heart Health Challenge.

Taking your heart to heart

Methodist Mansfield Medical Center is finding ways to help local hearts from both inside and outside the hospital walls.

Award-winning heart care

The Joint Commission recognized Methodist Mansfield as a *Top Performer on Key Quality Measures™* in heart attack, heart failure, and stroke outcomes, based on achievements in 2011.

Heart of the Community

Methodist Mansfield increased its commitment to promote heart health with its Heart of the Community initiative this year. Among our efforts:

- The Heart Health Challenge. This program with the Mansfield ISD created fun ways for administrators, principals, teachers, students, and parents to lower their risk for heart disease and stroke and get heart healthy by increasing their physical activity and improving their nutrition.
- The Tarrant County American Heart Association Heart Walk. More than 100 employees participated, raising more than \$7,000.
- Our Heart to Heart women's heart health event.
- The HeartSmart Profiler at MethodistHealthSystem.org/HeartSmart, which helps patients determine their heart age.
- Stroke and heart disease awareness and education at more than 100 community events in southeastern Tarrant County.

Folsom Award proceeds enhance safety of North Texas

The Methodist Health System Foundation presented its eighth annual Robert S. Folsom Leadership Award to Michael M. Boone.

Boone chose to designate the proceeds from the award event — a record-breaking \$1.47 million — to Methodist Dallas Medical Center's neurosciences program, which will be housed in the new Charles A. Sammons Trauma and Critical Care Tower upon completion in 2014. This new tower will benefit all of North Texas with its advanced emergency, trauma, and critical care services.
